**58<sup>TH</sup> Annual Conference of ISA Gujarat State Branch**  
**ISACON GUJARAT 2026**

2<sup>nd</sup>-4<sup>th</sup> OCTOBER 2026 @ Grand Mercure Surya Palace, Vadodara, Gujarat

Hosted By: ISA Gujarat State Branch

**Organised By: Vadodara Society of Anaesthesiologist  
(ISA Vadodara City Branch)**

Academic Partners: APA Vadodara, ISA Bharuch - Ankleshwar City Branch

- All abstracts must be submitted via the conference website only. No Physical papers are accepted.
- The title should be short and concise, & must NOT be written in capital letters.
- The abstract should not contain broad statements like "The results will be discussed"
- You may use standard abbreviations; however mention unusual abbreviations in brackets after the full word, when it appears for the first time.
- Use numerals to indicate numbers, except when beginning the sentences.
- Case reports are generally not accepted unless they bring significant and novel biological information, they will be converted to poster presentations.
- All Submissions will be acknowledged by email. So, please provide your current working Email ID along with Mobile number.
- By submission of an Abstract, the author transfers copyright ownership to the organizing committee for publications. The Organizing committee reserves the right to reproduce the abstract/presentation made in conference in print or electronic media.
- Abstracts / papers previously published or presented at any national or international conference are not permitted.
- The Scientific Committee reserves the right to allocate a session time or change the presentation type.
- For all award presentations, the time allocated is 9 minutes, 7 minutes for presentation and 2 minutes for discussion.

We encourage original research work. All abstracts will be reviewed by a panel of experts and then accepted as Verbal Presentations or free paper/poster presentations during ISACON GUJARAT 2026.

- Avoid animations/clip art.
- To be effective, your E-Poster should not be overly cluttered. It should be set out clearly and logically, with reading matter reduced to an essential minimum.
- Make sure that your illustrations are easy to understand; do not overload any chart or drawing with information.
